

Ljetni semestar, akademska godina 2022./23.

Diplomski sveučilišni studij Chemical and Environmental Technology, 1. god.

	PONEDJELJAK	UTORAK	SRIJEDA	ČETVRTAK	PETAK
8:15 9:00					
9:15 10:00					
10:15 11:00	Environmental Management Tools E401			seminar Environmental Remediation Technologies E401	Methods for Advanced Material Characterization F407
11:15 12:00		Corrosion Engineering in Environmental Protection E401			
12:15 13:00	Environmental Remediation Technologies E401			Ecotoxicology E400	Sustainable Technologies and Development E401
13:15 14:00					
14:15 15:00			Modern Analytical Methods for Water and Air Quality Monitoring F406		
15:15 16:00				seminar Ecotoxicology E400	
16:15 17:00					
17:15 18:00					
18:15 19:00					
19:15 20:00
